Receiver also replaced. Patch on 2nd slide.	Given to RT by John Sullivan, whose father-in-law, Frank Anglund, purchased it in 1936. RT is Anglund's nephew.
527	Bb	ML	Lacquer	Scott Zimmerman	5/1/18	Hand	N				Horizontal	ELDEN BENGES	None	1 small brace on 1st & 3rd	N	Brass	N	Top Solid	Not really an alteration, but this trumpet was built with a French Besson bell. (per Frank Kaderabek)	This trumpet was used by 32's father & grandfather. Family lore has it that the trumpet was owned by a trumpeter in the Benny Goodman band, and was acquired as payment for services rendered by his great-grandfather. According to Frank Kaderabek, it was originally owned by Frank Holz of the Chicago Symphony, whose daughter is said to have deeded the staff logo.
528	Bb	ML	Lacquer	Frank Kaderabek	2/4/07	Hand	N	L	S	*	Horizontal	Unreadable	None	Long brace on 3rd; none on 1st	N	Brass	Trigger added from a Besson	Bottom Solid	Not really alterations, but EB put the leadpipe & tuning slide from the same French Besson on this trumpet. There are four patches. 1955: hand burnished silverplated.	Originally owned by Ed Masacek of the CSO; FK was his student and bought the horn in 1949 for \$100; he still has it.
529	Bb	ML	Silver	Jeff Bridle	3/8/14	Hand	N		S	*	Horizontal	ELDEN BENGES	None	1 brace on 1st; 1 small on 3rd	N	Brass	Y	Top Solid	Originally lacquered. 1st slide ring added.	Purchased in March 2014 from Jason McDonald, who purchased it in 2003. Unique leadpipe; original? The bore was measured by Mike Ackerman in March 2012. It's on the small side for an ML horn.
530	Bb			Joe Summerhill	2/9/07															The location of this horn is unknown. JS bought it from Bill Crosson for \$40.00 and traded it to Renold Schilke for an early Schilke B1.
