

IOS Listers Corner 2010

Illinois State Life Lists and Regional Life Lists

(minimums: 250 species for the state and 200 for each region)

It seems unbelievable now, but, as recently as 2006, we were able to fit all of the 250+ listers on one page. This year's list includes 33 new names, with Pete Moxon and John Leonard having the highest totals of any newcomers. Some of the rarest birds of the year were also quite accomodating, and virtually everyone near the top of the list added more than one species to their total.

Of the listers over 375, Craig Taylor had the greatest increase (+4). Bruce Heimer added 11 species, the most of anybody in the 350-375 lifer range. Jeff Skrentny, for the second year in a row, increased his list (+12) greater than anybody in the 325-350 range, and John Baker added 12 species, the most of those in the 300-325 total.

Wes Serafin reached the 375 threshold with the Anna's Hummingbird. Donnie Dann (Sabine's Gull), Bruce Heimer (Black-throated Gray Warbler) and Bob Erickson joined the '350 Club.' Topping 300 were Todd Bugg (Western Kingbird), Matt Fraker (Piping Plover) and John Baker (Yellow-throated Warbler).

(updated 3/15/11; compiled by Joe Lill)
