Number One	Pocket	ML	Silver	Barbara Duda	2/28/21			Y		Made especially for Benge shop foreman Lou Duda as a retirement present. The bell is engraved with the dates he started and finished working for Benge: To Lou Duda From Benge Employees 5-15-54 To 1-1-80
01958	Piccolo	ML	Silver	Brandon Beck	8/27/08		None	N	Not an alteration, but the valves are stamped "1, 2, 3 & 4." The serial number is not stamped on the valves. It is the only piccolo so far that does not have a number stamped on the bell.	I'm not sure where to put this one. I've seen pictures of the serial number and it is clearly stamped. Los Angeles is stamped on the bell. My guess is that it was a special order, with a special serial number. Purchased from Charles Reskin, who purchased it used in the early 1980s. I welcome input.

14140	Bb	MLP	Silver	Alain Desrochers	11/16/17	3X+	Ferrule (3)		The 1st valve was replaced along the way. 14140 is stamped on the 2nd and 3rd valves.	The serial number on the side is 214140, but the valves are stamped 14140 and the model number is not stamped on the bell, so I believe it's a pre-20,000 trumpet and that the first digit was an stamping error.
